# WELCOME

*to our 2024 catalog!*

Dear Business Partner,

The optical landscape has changed dramatically since I started Eyewear by R.O.I. back in 1986.

What has not changed however is our commitment to offering the industry's best return on investment (R.O.I.) with products that are well crafted, consistently salable and in stock 99% of the time.

In this year's catalog you will find wonderful designer eyewear from Karen Kane and Alexander Julian, fantastic fashions from Bulova and Wittnauer and managed-care friendly styles from Richard Taylor Scottsdale.

What started as a dream by an optician from Upstate New York, has grown to an eyewear company whose designs are dispensed throughout the U.S., Canada, Mexico, Europe, Asia, Australia and New Zealand.

To all of you who have been a part of this great ride, our sincere thanks and to those of you who have yet to experience what sets "R.O.I." apart, climb aboard and let us show you.

Thank you,

A handwritten signature in white ink that reads "John W. Alofs II". The signature is written in a fluid, cursive style.

## Special Services

### Replacement Frames

## Guarantee

All Eyewear by ROI frames are guaranteed against defects in material and workmanship for one year.

## Exchange

To continue to offer our customers the best return on investment in the frame business, Eyewear by ROI adheres to a strict EXCHANGE ONLY POLICY! Frames in resalable condition, free of personal markings and price tags, may be exchanged for like products, "dollar for dollar."

### Defective Frames

Defective merchandise may be returned for exchange provided the product is a true manufacturer's defect defined as:

1. Separation of metal/zyl attachments
2. Separation along solder points
3. Visual cosmetic defect upon initial inspection

### Non-Defective Frames

1. Dispenser error during adjustment
2. Bubbles or rolled eyewear due to excessive heat generated by salt pan
3. Undue stress on frame material during insertion of lenses
4. Excessive twisting of pad arm in nose pad adjustments
5. Frame abuse by customer
6. Any problem that has occurred after obvious prolonged wear by a consumer

For your protection, all merchandise should be insured by you in the event of loss or damage during shipment.
